Learn to ship software like a pro. There's no substitute for hands-on experience. But for most students, real world tools can be cost-prohibitive. That's why we created the GitHub Student Developer Pack with some of our partners and friends: to give students free access to the best developer tools in one place so they can learn by doing.

Home / Benefits / Student benefits application

Get your GitHub student benefits

Learn using real-world developer tools

✅ Free GitHub Pro while you are a student

✅ Valuable GitHub Student Developer Pack partner offers

✅ GitHub Campus Expert training for qualified applicants

✅ \$1000 First-time hackathon grant for Major League Hacking members

To qualify for student benefits, you must:

- Be currently enrolled in a degree or diploma granting course of study such as a high school, secondary school, college, university, homeschool, or similar educational institution.
- Have a verifiable school-issued email address or upload documents that prove your current student status.
- Have a GitHub user account.
- Be at least 13 years old.

Offer availability:

- All partner offers are subject to the partner company's terms and conditions and may not be available in all regions.

What e-mail address do you use for school?

Note: Selecting a school-issued email address gives you the best chance of a speedy review.

+ Add an email address

What is the name of your school?

Note: If your school is not listed, then enter the full school name and continue. You will be asked to provide further information about your school on the next page:

How do you plan to use GitHub?

Please note, your request cannot be edited once it has been submitted, so please verify your details for accuracy before sending them to us.

Submit your information

select your student email here

opt Indian Institute of Information Technology, Ranchi from the drop down

write here how you plan to learn development using various resources, and how excited you are for GitHub.

Home / Benefits / Upload proof

Upload proof of your academic status

We need a little more proof to verify your academic status.

What we need to see:

University STUDENT

Mona Octocat

ID#: 001001001

an Octo P. Kelly 2r 5S San Francisco CA 94101

Valid until 04/2022

Your student ID

Your ID should include a date that verifies your current enrollment. Make sure the image is clear and easy to read, if it looks blurry, please take a new photo and upload it again.

University

Current Date: Your Name

University

Current Date: Your Name

Or another form of proof

If you don't have a student ID, or it doesn't include a date, you can upload a letter on school letterhead or any documentation with a date that demonstrates your current enrollment.

Please upload proof of your academic status.

Snap a picture using your computer's camera, or upload one. While we're seeing your face, all we really need is a photo of your valid academic ID or other proof of current academic status.

Use your computer's camera to take a picture now.

Take a picture

take a picture of your id card or upload one from the device. (make sure the quality of the image is acceptable)

Already have an image? We accept .jpg or .png files under 5MB.

Upload an image

Please note, your request cannot be edited once it has been submitted, so please verify your details for accuracy before sending them to us. After clicking "Process my information", please wait as processing can take several seconds.

Process my information

Cancel

when you are finally assured about the details, submit your application.
